The member must provide a dated invoice from the dealer where the appliance was purchased. The yellow Energy Guide label shall also be provided as proof that the appliance qualifies as an ENERGY STAR rated appliance.

To be eligible for the rebate the following conditions apply:

Member must agree to operate and use the appliance only at a location served by the cooperative.

Rebates are limited to one rebate per appliance, per member, every 5 years. Should the member relocate to a different location, the member may qualify for another rebate even if the member received a rebate within the last 5 years.

The cooperative reserves the right to make an onsite visit to the property of the member to verify that the appliance is being utilized at the location indicated by the member.
